

## Aircraft Damage Report

### Policyholder

#### Insured

Company

Street/House Number

Country

Postal Code

City

#### Contact Person

Form of Address

First Name

Last Name

Phone

Fax

E-mail Address

### General information

#### Flight data

Registration

Flight Number/Date

#### Damage discovery

Date

Time (local)

Location

Damage occurrence

Unknown

Known

#### Circumstances of loss

Date

Time (local)

Location/Routing

Visibility at time damage occurrence

Daylight

Dawn

Darkness

Apron lightning

Others:

### 1. Kind of flight

Scheduled

Charter

Demonstration

Transfer

Ferry

Check

Training

Others:

### 2. Location of damage occurrence

Apron position

Gate position

Taxiway

Runway

Hangar

Hangar Apron

Others:

### 3. Aircraft position at the time of incident

#### 3.1 Position

Maintenance, repair, overhaul

Parking

Engine-Test (Run-up)

Aircraft Handling

Towing

Stand still with engines running (on parking pos., taxiway, before take-off run)

#### 3.2 Taxiing

For take off

After touch down

To parking position

After aborted take-off

#### 3.3 Phase of flight

Climb

Cruise

Descent

#### 3.4 Others

### 4. Originator or cause of damage - part one

#### 4.1 Originator of damage

Name(s)

Company (complete address required when third party)

Department

Do(es) the person(s), who caused the damage, have all required licenses for the handling of vehicles/equipment?

Yes

No

Unknown

Was the person, who caused the damage, on duty at the place where the damage occurred?

Yes

No

#### 4.2 Other aircraft

Kind/Type

Owner

Registration

#### 4.3 Part of the Aircraft (mobile or disintegrating)

## Aircraft Damage Report

### 4. Originator or cause of damage - part two

#### 4.4 Loading material/Load

Container, IATA ID-Code:  Pallet, IATA ID-Code:  Mail  Cargo  Baggage

Details about kind of load, contents, condition/suitability of package, kind of stowage, special loads, visible handling advice etc.

Air way bill no.

#### 4.5 Vehicles/Equipment

Fuel Truck  Passenger bus  Aircraft tow truck  Tow bar  Catering truck  
 Pallet/Container highloader  Conveyor belt  Baggage cart  Pallet/Container transporter  
 Pallet/Container dolly  Passenger stairs  Air jetty  Ground power unit (GPU)  
 Toiletservice  Air Start Unit (ASU)  Others:

#### Additional information about respective vehicle/equipment

Exact description of type | License Plate/Identification Number

#### Serviceability of the vehicle/equipment as per own judgment

Status | Explanation  
 Perfect  Diminished

#### 4.6 Other causes

Lightning strike  Hail  Snow/Blizzard  Splashing water  Storm  Ice (Slipperiness)  
 Bird strike  Other animals  Stones  Sand  Foreign objects (FOD)  Chemicals  
 Liquid/Water  Fire  Explosion  Self-ignition  Others:

#### 4.7 Supposed Human Errors

Errors in manoeuvring/handling of vehicles/equipment  Neglect of traffic regulations/procedures  Lack of assistance/errors in assistance during manoeuvring of vehicles/equipment  
 Unknown  Others:

### 5. Damaged areas / parts of aircraft

#### Fuselage

Structure of fuselage  Planking of fuselage  Fixed guide and restraint devices  Cabin/Cabin equipment  
 Cargo compartment  Floor panels

Damaged parts

#### Wing

Damaged parts

#### Empennage

Damaged parts

#### Engine

Position | Damaged parts  
 1  2  3  4

#### Landing gear

Position | Damaged parts  
 Bow  Fuselage  Main landing gear

#### Electrical units

Damaged parts

#### Short description about extent of damage at time of recording of damage

(information about repair or partial repair, please list under point 6)

## Aircraft Damage Report

### 6. Detailed description of damage

Description (to be continued on separate sheet, if necessary)

Enclosed find following records (photographs, sketches, plans etc.)

Following records will be sent later:

#### Damage discovered by

Name \_\_\_\_\_ Company \_\_\_\_\_

#### Witness(es)

Name (1) \_\_\_\_\_ Company (1) \_\_\_\_\_

Name (2) \_\_\_\_\_ Company (2) \_\_\_\_\_

#### Damage recorded by

Name \_\_\_\_\_ Company \_\_\_\_\_

#### Additional information

Has the damage been recorded by other than insured?  Yes  No | If so, by whom? \_\_\_\_\_ | Damage-related reference number \_\_\_\_\_

Consequences caused by the damage (e.g. delay, flight cancellation, aircraft change etc.)

Consequent actions (e.g. hotel accommodation, re-booking, passenger expense on route etc.)

### 7. Extent of damage

Description (to be continued on separate sheet, if necessary)

#### Estimated costs for salvage

Fire fighting	Foam tapestry	Fuel dumping	Others
_____	_____	_____	_____
			Total
			_____

#### Estimated costs for repair

Labour	Material	Operating resources	Ferry/Transport	Others
_____	_____	_____	_____	_____
				Total
				_____

### 8. Date and Signature

Name in capital letters	Place/Date	Signature
_____	_____	_____
